costs in the action of Hiscox vs. the city, amounting to $239 67, be referred to the Council; (2) that the claim of H. Francis, of the fifth Ward, for damages of $25, be filed; (3) that the application of Laurence Gibson, to connect at his own expense his house drain with the tile sewer, corner of Albert and Talbot streets, be granted; (4) that Michael Colby be paid $19 in full of damage to his furniture in removal by the upsetting of the wagon

On motion the report was taken up clause by clause

On clause 1 Mr. B. Johnson was heard in explanation of the circumstances attending the accident to Ald. Hiscox's coupe, and asked that all but the actual amount of the damages be remitted.

Ald Kingston moved that Mr. Johnson be paid the amount of his current account less the cost of the damages to the coupe.

The motion was carried.

Clauses 2 and 3 passed.

On clause 4, Ald. Hook moved that the clause pass. Ald. Garrett seconded.

In amendment Ald. O'Meara moved, seconded by Ald Hiscox, that the matter be referred back to No. 2 Committee.

The amendment was lost, and the original motion carried.

The report was then adopted.

The communications from property owners on the south side of Dundas street, asking permission to move back their frame buildings, were then taken up, and on motion of Ald. Hiscox, seconded by Ald. Hook, they were filed.

NO 1 COMMITTEE REPORT.

By Ald. Kingston, Chairman:—

2—That the prayer of the petition of A. G. Smyth and others for the remission of Jane Bugler's taxes for 1885 be granted.

3—That the prayer of the petition of Thomas Green, President Mechanics' Institute, for a grant of $500 towards the funds of that Institute, be granted.

4—That the Council instruct the City of London Trust to allow purchasers of properties from said Trust the privilege of redeeming the mortgages on such properties on payment of three months' interest in advance with the amount of mortgage.

5—That Mrs. Burgess be allowed $5 to satisfy claim for damage in loss of tree.

6—That the Clerk be instructed to correct charge for taxes against M. Anderson, in No. 5 Ward, by transferring entry from the Collector's roll of the southern division to Collector's roll of the northern division of the city for the year 1885.

7—Your Committee begs to report progress on petitions of Sarah Tweedie, P. Halloran and T. Partridge, jr.

On motion, the report was taken up and considered clause by clause.

The several clauses passed, and the re- rt as a whole was adopted.

NOTICE OF MOTION.

By Ald Hiscox—That all milk dealers elling milk in this city be charged a license, the amount being fixed hereafter by he Council, and that a lactometer be provided to each dealer, that each customer so esiring shall demand a test at any time on heir delivering milk to any one a customer.

A by-law to prevent the *grass swards* in Victoria Park being used as a thorough- re. the foot walks being provided for at purpose, all traffic vehicles being pro- ibited from entering the Park, except hen laden with material for use thereon, as read a first and second time, and the ird reading was deferred till next meet- g.

A by-law to regulate the levying of sewer rates was read a first, second and third time and passed.

The by-law to exempt from taxes the London and Petrolia Barrel Company's works was read a third time and passed, with the words "an average of" stricken out.

Several motions of which notice had been given, were allowed to lie over.

Ald Kingston moved, seconded by Ald. Taylor, that the Water Commissioners be instructed to charge the excess on the water rate of the McClary Manufacturing Company to the Council. Carried.

Ald Garrett moved, seconded by Ald. Nutkins, that the Street Railway Company be requested to lay their track on Adelaide street this fall. Carried.

On motion, the Council adjourned for two weeks.
